# Foreword

## Mt. Shuksan

In this book the Aquila staff has endeavored to present a picture of the associations and opportunities we have enjoyed at Ferndale High School.

May this mountain be a symbol of the lofty heights our associations in this school have inspired us to attain.

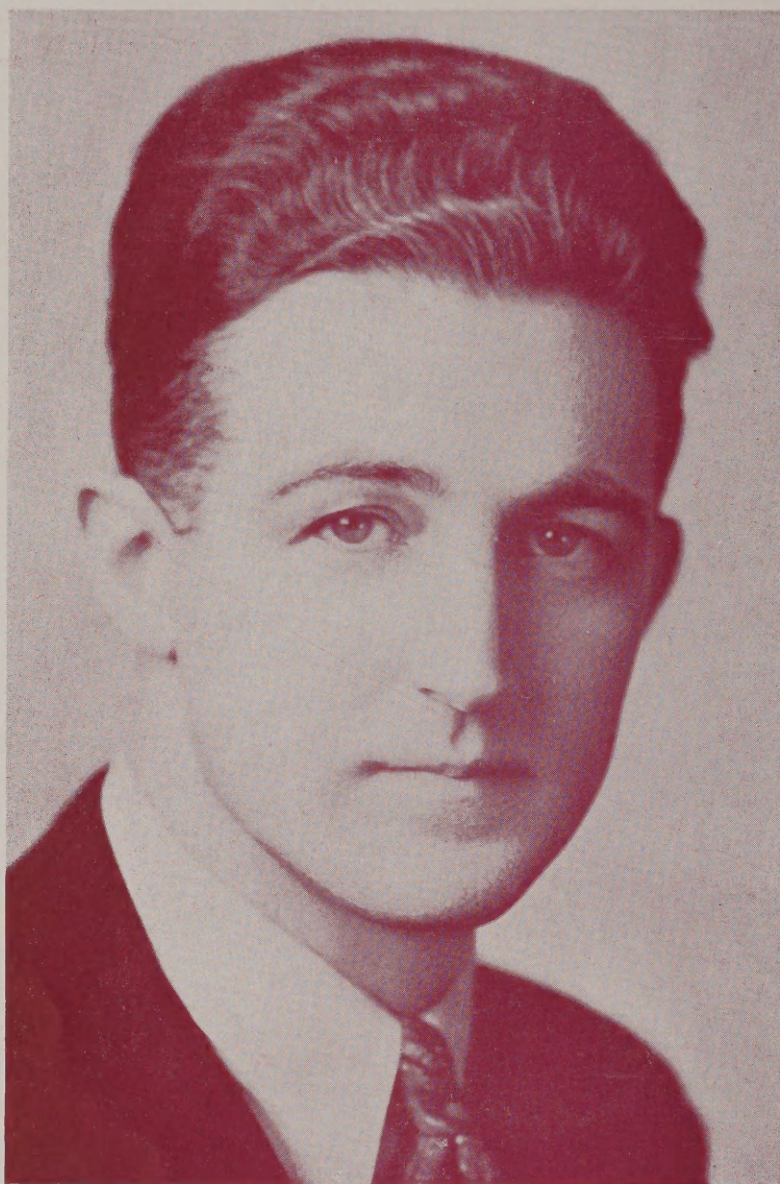

## The Nooksack River

Nature is man's teacher. She unfolds her treasures to his search, unseals his eye, illumines his mind, and purifies his heart; an influence breathes from all the sights and sounds of her existence.

MR MONROE

Being that you have been our musical director, our adviser, and our friend, you have more than merited our complete confidence, it is to you, Mr. Monroe, that we, the Class of 1942, dedicate this issue of the Aquila.

Your helpful assistance and kindly words have proved to us that as students of Ferndale High School, we are fortunate in having you as head of our music department. We hope, therefore, that this small tribute may serve as a symbol of our appreciation.

## OUR SUPERINTENDENT

MR ALEXANDER

The high standing and keen interest of a superintendent contributes largely to the strength and progressive spirit of a school system. Ferndale High School is particularly fortunate in this respect by having Mr. Alexander. His patience and hard work have helped make Ferndale High School the fine school it is. During our years here you have been our constant friend and assistant.

## HIS MESSAGE . . .

TO THE CLASS OF '42:

You have had the privilege of receiving your common school education and training in the free public schools of this great democracy of ours. It now becomes your privilege and duty, as you continue your education or take your place in the world, to do your utmost to preserve and promote those ideals and principles for which this democracy stands.

It has been the endeavor of the school, with its various organizations and activities, to give you training and experience for the development of those high qualities of character and human relationships that will make you realize the most out of life for yourselves and will best equip you to do your part in maintaining and improving American democracy.

In these times of world strife and unrest, you have a great responsibility and duty to perform as you take your respective places in this and other communities which form this great nation of ours. Much careful thinking and planning must be done now and during the period immediately following the present crisis, to maintain and promote the highest principles of human relationships and democracy.

May each one of you give these problems your most careful consideration, be loyal to American ideals and principles, and do your part to make America a continually better land in which to live.

F. E. ALEXANDER.

Mr. Loreen majored in Agriculture at Washington State which prepared him to become the high school's Future Farmer educator. Besides instructing in the science of farming, Mr. Loreen carries out numerous field trips and judging tours, which are both interesting and educational to the boys. He co-advises the Sophomore Class with Miss Still. The F. F. A. due to Mr. Loreen's able knowledge of judging has won many honors for Ferndale High.

Well known for her ability to direct dramatic presentations, and, oh yes, able to act herself when the occasion arises. Miss Still educationally received all Whitman College had to offer and finished the last part of her required five years in preparation for high school teaching at the University of Washington. Besides teaching Latin and four classes of Typing, she advises the Dramatic Club, the Tattler, and co-advises the Sophomore Class.

Six-feet-three in his stocking feet, Mr. Axelson is a whiz at Math, and quite a lecturer in his two History classes. For the first time in years, with him as coach, our basketball team ended up by winning victories in about half the season's games. Using Seattle Pacific College as a stepping stone in acquiring five years of advanced education, he finished at the University of Washington. His advisory capacities include the Senior Class and the Annual.

Starting with nothing two years ago, Mr. Monroe has made many excellent advances with our music department. His work with the students has brought much acclaim to Ferndale High. In preparing for his chosen vocation, Mr. Monroe attended Clairmont College, University of Washington, and the University of Idaho, majoring in Music, Education, and Social Science. Under Mr. Monroe's direction, Ferndale High's vocal groups have sung extensively at many of the local granges and churches and become very popular in the community.

Miss Kaiser, a newcomer to Ferndale this year, teaches Sophomore English and instructs the girls in Physical Education. She also manages girls' sports. Majoring in Physical Education, English, and Journalism, she attended the University of Washington. Although her school-girlish appearance has led to many mistakes as to whom the teacher is, she has definitely shown her abilities in the teaching profession.

He must have discussed quite a few things at Pullman where his main subjects were in the field of Physical Education, History, and Biology. ## Class History

In the fall of nineteen-thirty our class was very proud to be the first class to enter the new Central Grade School. The first five years we were downstairs, but then came the triumphant day in the sixth grade when we went upstairs. Feeling very grown up and worldly we started the departmental system of teaching in the seventh grade. On May 27, 1938, 58 excited pupils graduated from the eighth grade, exercises being held in the high school auditorium. Our class flower was gardenia and our class colors, green and white.

We entered high school and were subjected to the much dreaded initiation during the fall of this same year. We chose as our class flower, rose; class colors, gold and orchid; and the motto, "Look forward, not backward." Our class officers were: President, Jack MacDonald; Vice-President, Dennis Flaherty; Secretary, Betty Moles; Treasurer, Albert Bollman and Representative to Executive Board, Bill Osbrink, with Mike Schones taking Bill's place when he moved. This year we decided that every year in high school we would try to start a new tradition, so this year we put out a booklet for the incoming Freshman containing school songs, yells and duties of students. During this year we also gave an assembly consisting of folk dancing and singing, which was very well received by the student body, being different than those given by other classes.

In our Sophomore year our class officers were: President, Vincent Franklin; Vice-President, Bob Ecalbarger; Secretary, Marion Kivley; Treasurer, Frank Pope; Representative to Executive Board, Otto Valder; Sergeant-at-Arms, Jack McKee and Clifford Smeder; and Tattler Reporter, Betty Moles. This year we were elated to have more members in the Torch Honor than any other class. As our share in the Christmas program we gave a reading, accompanied by a pantomime play of the poem, "Twas the Night Before Christmas." To carry on our Freshman resolution we gave a Sophomore-Senior party.

During our Junior year our class officers were: President, Dennis Flaherty; Vice-President, Corinne Peterson; Secretary, Marie Valder; Treasurer, Lorraine Juvet; Representative to Executive Board, Jack MacDonald and Sergeant-at-Arms, our class adviser, Mr. McCurdy. This year we gave an All-School Skating Party which was a great success and netted us \$5.25. Our class discussed plans for giving a Junior-Senior Banquet to carry out our Freshman resolution but they were not completed. We were happy this year to be able to contribute \$10.00 to the Annual.

Our Senior class officers were: President, Clifford Johnson; Vice-President, Clifford Smeder; Secretary, Mary Johnston; Treasurer, Orville Pheifer and Representative to Executive Board, Norman McConnaughy. This year we got off to a good start with \$11.85 in the treasury. Our last year we've been busy putting out the Annual, selecting rings, pins, announcements, cards and putting on the highlights of the year, the senior class play, "Foot-loose." We were honored this year to have a member of our class, Betty Moles, represent the State of Washington at the National D. A. R. Convention held in Chicago.

## Class Prophecy

HELEN ANDERSON is now carrying the gospel of knowledge to the Aborigines of Darkest Africa. She likes being an old-maid school teacher and denies rumors of her engagement to the Ubangi chief. Her friend, assistant and chaperon, DOROTHY KELLER, is sharing her hardships as religious instructor to the natives.

LUREE BAILEY is doing well in Hollywood where she does art work for Candid Cartoon Studios.

ARLENE BASSETT is married to her famous dancing partner, and they are making a personal dis-appearance tour of Canada.

ANNE BURGLER had the honor of being the first feminine student at Notre Dame and has fulfilled her life ambition of punching holes in Swiss cheese.

JACK MACDONALD is now running for President of the United States on the Republican ticket! The girl who types his memorable speeches and fixes his aspirin is none other than GLENNYS KENYON.

## JUNIOR

FIRST ROW—(Left to right): Willard, Peterson, Wisner, Talman, Oswald, Stowell, V. Unick, Widman, A. M. Oxford, Pehrson. SECOND ROW—Dunagan (advisor), Prouty, Sidwell, Schrimsher, G. Unick, Moser, O'Brine, Meldahl, Riley, Tawes, E. Unick, Gates (advisor). THIRD ROW—Rahm, McLeod, H. Oxford, Voskamp, Pope, Rogers, Steltz, Mount.

So far in its high school experience the Junior Class hasn't accomplished much as a class unit, but they hope to do better before they leave Ferndale High School.

Early in the year the class got together and elected their very efficient officers. Don McLeod was chosen to preside over all, while Kenny Riley was placed in the supporting role of vice-president. Shirley Gawley and Doris Pehrson served as secretary and treasurer, respectively.

Besides being outstanding in class, many individual Juniors have proved themselves outstanding in football, basketball and baseball. Players on the football team were as follows: Pope, Barnard, Carroll, Eastwood, Sidwell, E. Unick and G. Unick.

Don McLeod and Jerry Mohrmann proved themselves capable of playing good basketball.

Mohrmann, Anderson, Pope and Oxford showed their ability in baseball. Billy Scrimsher was chosen manager of the baseball team.

Loralee Erickson placed second in the Americanism Contest conducted by the American Legion Auxiliary.

Alyce Mae Oxford was chosen as vice-president of the Student Body, and Clifton Johnson became Junior Class representative of the Student Body Council.

Selected as members of the new girls' sextet were: Lois Heimberger and Betty Berentson. Alyce Mae Oxford was chosen to take Betty's place when she moved away.

FIRST ROW—(Left to right): Kelstrup, Michel, Lewis, Heimberger, L. Erickson, Berentson, M. Erickson, Brill, Gawley. SECOND ROW—Dunagan (advisor), Barnhart, Grout, Anderson, Moles, Carroll, Barnard, Mohrmann, Gates (advisor). THIRD ROW—Larson, Eastwood, Barci, Hartness, Johnson, Hanson.

THIRD ROW—Larson, Dorr, Beard, Hicks, Bergquist, Knight, Hougan, Carlson, Beaurdeau, Kindlund.

The Sophomore Class has not accomplished very much this year, but it has done more than last year when it was only getting organized. Most of the members of the class, however, take part in many school activities.

This year Madalyn Lobb was selected for the new girls' sextet; she also represents our class on the executive board. This year six of our boys, Powell, Beard, Beaudreau, Owings, Oslin and Otterlei were elected to the K. G. E.; Lobb, Pehrson, Pinkerton, Siddle were selected for the dramatic Club.

Barbara Martin was chosen assistant editor on the Annual staff; Plaster and Siddle were appointed on the Tattler staff; and a number became members of the Torch Honor Society. Besides these many activities many of the boys are active in sports. For basketball credit goes to Otterlei, Beard, Powell and Plaster.

The class officers for this year are: President, Bill Beard; Vice-President, Henry Otterlei; Secretary-Treasurer, Sarah Lou Siddle. Our advisers are Mr. Loreen and Miss Still.

## Football

County "Champs" for the second consecutive year. That is the goal that Coach Clarkson's Golden Eagle eleven accomplished this year. Through the able leadership of Captain Bob Ecalbarger this year's eleven were unscored upon in any of the county league games. They were, however, beaten twice and tied once by out-of-the-county teams. These teams were Burlington, Sedro-Woolley and Vancouver College Prep.

Coach Clarkson was hit hard by the loss of last years seniors and their captain, Louie Burgler, but they came through in great shape.

Next year's team will be minus nine hard playing seniors. These boys are Captain Bob Ecalbarger, a smart quarterback; Bob Nelson, a smashing fullback; Frank Pope, 200 pounds of good tackle; Louis King, his 215-pound partner on the other side of the line; Bob Tawes, who came through at center; Cliff Smeder, extra-point kicker and as smart a prep guard that ever donned a football uniform; Alec Ruff, midget but speedy halfback; Vincent Franklin, another good halfback; and Dave Dunagan, who started out late but came through with all expectations.

Even though the team will be hard hit by the loss of the graduating seniors, we are looking forward to another successful year next year when Custer will come down here to help swell the ranks in our school and athletic activities.

Hats off to a swell team and a swell coach.

## Basketball

This year Ferndale had one of the best basketball seasons in many years. With Coach Axelsson at the wheel, the boys got off to a rather slow start, but picked up towards the end of the season. The next to last game of the season with Mt. Baker High proved that Ferndale can play basketball. Behind at the half by a score of 21-9, Ferndale began to pick up at the beginning of second half and the third quarter ended 25-23, in favor of Mt. Baker. Ferndale turned on the power and the game ended 31-27 in our favor.

Ferndale's hopes next year are the brightest they have been for quite a while. The squad loses only three lettermen: Nordtvedt, King and Johnson. Those coming back are: Otterlei, McLeod, Powell, Mohrmann, Beard, Jones and Plaster. Several promising Sophomores and Freshmen are rapidly progressing under the direction of Mr. Gates, assistant coach.

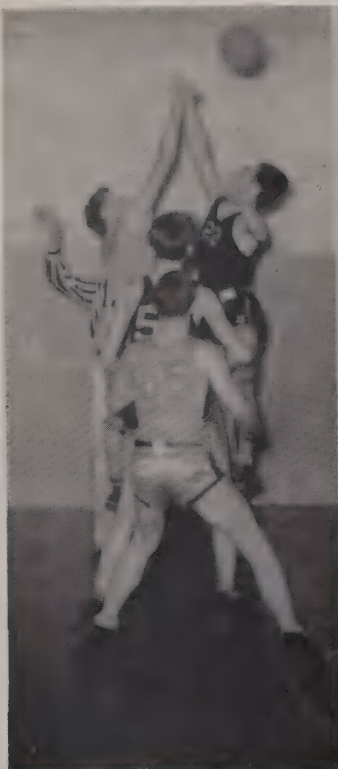

The staff wishes the boys and their coach all the success possible.

## Baseball

The Ferndale Golden Eagles won their second championship in one year by winning every baseball game in the county league. Led by three graduating Seniors, Bud Oxford, a stellar catcher and a mean hitter; Tommy Nordtvedt, a nifty shortstop and another dangerous hitter; and Fred Griener, midget first sacker who could really handle a glove, this team waded through opposition to cap the championship.

Because Coach McCurdy resigned to take over a new job, Winton Gates, a new coach, has taken over the job of handling this year's team. As this book goes to press this team is undefeated in county league play. This is doing very well considering the fact that the boys have been orphaned for want of a home field and the one they are playing on certainly can not be classed as first rate.

We hope that they will once again bring home a championship to Ferndale. If they do they are to be doubly commended considering the handicaps they have been working under.
